

# Childcare Survey For Essential Workers

In accordance with state guidelines, Wells Central School is planning to facilitate arrangements with our community partners to provide child care for essential health care workers in our community during the COVID-19 (coronavirus) outbreak. This service would be available only for those who work in positions identified by the state: physicians, nurse practitioners, physicians assistants, registered nurses, LPN's, Nurse assistants, laboratory personnel, paramedics, EMT's, police officers, firefighters, direct support professionals, food manufacturing, transportation, construction, manufacturing, and non-profit and social agencies.

Please fill out the below survey if you are in need of assistance or contact the main office at 518-924-6000  
Monday– Thursday 8am-12pm.
